

## REMARKS

. This Supplemental Amendment does not replace but supplements the Response filed on March 23, 2006.

Applicants are enclosing herewith an executed copy of the Declaration of Dr. Harris, which was submitted with the Response earlier filed on March 23, 2006.

The executed copy of the Declaration of Dr. Harris amends slightly the unexecuted Declaration in the following manner. It corrects typographical errors that were present in the original unexecuted Declaration. In addition, after reviewing the application and the Claims, Dr. Harris has amended the scope of the second embodiment of the present application, as described in Paragraph 4 of the Declaration, to additionally include Z being "S".

Consistent therewith, applicant has amended Claim 103 to recite that Z is additionally defined as S. Support for the definition of Z being S is found on Page 16, Line 32 of the instant application. Moreover, this Amendment makes the definition of Z in Claim 103 consistent with the definition of Z in Claim 35.

No new matter is added to the application.

Applicant incorporates by reference the arguments provided in the Response dated March 23, 2006

Therefore, for the same reasons given in the Response dated March 23, 2006, in the executed Declaration, filed concurrently herewith and in the Remarks hereinabove, it is respectfully submitted that the present case is in condition for allowance, which action is earnestly solicited.

Respectfully submitted,
